Transportation/Logistics

SECURE, DEDICATED TRANSPORTATION

We provide **dedicated trucks to transport your evidence exclusively**, from your property room to our restricted-access warehouse facilities. **Whenever you need it, we deliver it back to you safely.**

Once your evidence is loaded, our dedicated truck is securely locked. There are **no other stops** between pick-up and delivery of your evidence, between your premises and our warehouse facilities.

From the moment we pick it up until we return it to you, we keep your property secure and protect its integrity long-term. Maintaining strict **chain of custody** and upholding **CALEA standards** and **NIST guidance**, our team of experts takes great care to handle your evidence properly.

EVIDENCE MANAGEMENT AND PRIVACY

SafeStore's Privacy Guard storage system protects the anonymity of your evidence.

- **We deliver crates and/or pallets to you.**
- **You pack and seal your crates and keep an inventory of the contents.**
- **We inventory your sealed crates with a sequential numbering system.**

Once your evidence arrives at our warehouse, an ID and warehouse location number is assigned to each item, crate or pallet. Photo documentation is established and you have 24/7, remote surveillance of your property. Any time your approved personnel want access for evidence review, they are welcome with the proper notification and identification.

Your contents remain confidential and secure with SafeStore.
